

DIY COWBELL!

(2 ways!)

Are you missing Storm Man's famous cowbell on game day?
Get into the finals spirit and make your own at home!

TIN CAN COW BELL:

YOU'LL NEED:

- Clean tin can
- A nail and hammer
- String
- Beads

DIRECTIONS:

1. Poke a hole in the bottom of the can with a hammer and nail
2. Cut a length of string about the length of the can.
3. Fold the string in half and add a couple of beads on tying two big knots a couple of centimeters above the beads.
4. Thread the end of the string through the hole on the tin and tie off the end.

**You can even decorate your tin can by wrapping some paper around it!*

POTS AND PANS!

YOU'LL NEED:

- Pots
- Pans
- Wooden spoons

DIRECTIONS:

1. Go old school and pull out some pots and pans with a wooden spoon and bang along to the sound of Storm Man's cow bell!
'MEL-BOURNE BANG BANG BANG!'
